Celebrating Traditions, Changing the World

Catholic Sisters Week shines a light
on the spirituality, mission, and
community building of women religious.

During the week of March 8-14, let's all work together to...

- Light up hope in our communities!
- Call attention to the new world that sisters call into being each and every day through ministry, service, advocacy, and investment.
- Raise up the world with experiences and legacy stories of women religious.
- Recall memories that bring joy to alumni and others influenced by sisters.
- Highlight women who are choosing a vocation to religious life today!
